# *Why choose The Apollo?*

With it's manicured gardens surrounded by rustic bushland, The Apollo encompasses a casual feel without compromising on sophistication.

Convenience is our greatest asset, as an all in one venue where you can dress on site, host your ceremony and reception all in the one venue and your guests will love the option to book their accommodation right here in our 4.5 star hotel. We have a beautiful bush backdrop for photography which is particularly breath-taking at sunset, or we're centrally located to some beautiful beaches and Fernleigh track should you choose to venture off with your photographer.

Your ceremony can take place under our picturesque rotunda, followed by drinks and canapes in our stunning gardens. Our staff will gently usher your guests into our "Apollo" room which overlooks both our pool and natural bushland backdrop. You'll then be treated to our honeymoon suite on the night of your wedding and breakfast the following morning.

Upon selecting The Apollo for your wedding, you can rest assured you'll be in experienced hands with our dedicated on site wedding coordinator and support staff. Working in collaboration with yourself and your vendors, we're confident we can create the special day you've always imagine.....
